Password Manager - User Persona

National MI uses the Encompass Manager to control what the user can order.

D. A persona can be created in Encompass to restrict the Loan Officer from ordering MI. You can create the persona "NationalNoMi" and "NationalNoMiDlgt". When the personas are created, they must be assigned to the user. In the case of "NationalNoMi", when this persona is assigned to a user, it will restrict the user from ordering MI, however they will be able to order Rate Quotes.

Please see the table for assigned rights for ordering.

PERSONA	RATE QUOTE	DELEGATED	NON-DELEGATED
No Persona	Yes	Yes	Yes
NationalNoMi	Yes	No	No
NationalNoMiDlgt	Yes	No	Yes
No access to interface	No	No	No

Encompass User Guide ordering mortgage insurance from national mi (Administrator Guide)

E. The next step is to assign the user the persona restriction.

F. Create the account in the Password Manager for National MI.

G. Complete the account information for National MI and assign users by clicking the magnifying glass *Q* icon.

H. Assign the personas created in the **Selected Users** panel.

After completing this step, exit out of the Encompass admin tool and launch the National MI order page.

When logging in as one of the users, the credentials should auto-populate the order form and apply the restrictions.

If the information is incorrect the user may get an invalid credential error message requiring the Password Manager account to be deleted and re-entered.

Search by Persona, User Group of	Organization. Se	lect Enabled Users and move to	Selected Users,	and then click Select.
