

Rate GPS[®]

Granular Pricing System

Our risk-based pricing system uses risk intelligence to deliver rates based on individual loan characteristics. When you get Rate GPS pricing, you'll secure a **quick** and **easy rate quote** for your borrower that is **protected for 90 days**.* Just remember to keep your loan parameters the same, if possible, so you can proceed with your original quote.

Get a rate quote now!

Access Rate GPS rates at:

- rate-gps.nationalmi.com
- [Our AXIS application](#)
- Mobile app
- Most industry LOS and pricing engines

Download, print or email your rate quote in PDF.

Generate your rate quote.

Save the PDF in the loan file.

Need help locating your Master Policy number?

Contact the National MI Solution Center at **855.317.4NMI (4664)** or solutioncenter@nationalmi.com.

We honor all Rate GPS MI rate quotes for **90 days**, so you are protected.
